September 30th, 1913

Principal H. J. Crawford,
University Schools.

Dear Mr. Crawford:

I hope to be able to be at the inspection
of the Cadet Corps of the University Schools on October 2 at
2 p.m. It is doubtful, however, whether I can be at the
Games on October 2nd, as I already have a meeting for four
o'clock on that day. With kind regards, I am,

Yours sincerely,

President.

January 2nd, 1914.

Professor H. J. Crawford
University Schools
Toronto

Dear Professor Crawford:

I am very glad to have such a full report from you with regard to the proceedings of the boys at their Games, on the lot which has been reserved for St Hilda's College. It is a satisfaction to know that you have reason for believing the conduct to be of such a standard, and I shall have pleasure in reporting it to the Board. I will also bring again to their attention the necessity of providing ground for their field work after the removal of St Hilda's.

With best wishes for the New Year, I am

Yours sincerely,

President
